TO AILING WOMEN

A Little Sound Advice Will Help Many a Sufferer.

No woman can be healthy and well if the kidneys are sick. Poisons that pass off in the urine when the kidneys are well are retained in the body when the kidneys are sick. Kidneys and bladder get inflamed and swollen, crowding the delicate female organs nearby and sometimes displacing them. This is the true cause of many bearing-down pains, lameness, backache, sideache, etc. Uric poisoning also causes headaches, dizzy spells, languor, nervousness and rheumatic pain. When suffering so, try DOAN'S KIDNEY PILLS, the remedy that cures sick kidneys. You will get better as the kidneys get better, and health will return when the kidneys are well.

Mr. S. Ampsper, of 309 N. Shawansee street, Owosso, Mich., says: "Doan's Kidney Pills are not a new remedy to me, for I used them two or three years ago when from some cause such as a cold or the grippe my kidneys troubled me. I do not know what I would have done without them as my trouble was steadily growing worse in spite of all the medicine I took. The kidney secretions were irregular and unnatural. I could not rest comfortably nights and always arose tired and worn out mornings. My general health was poor and this trouble was a great drain on me. I had taken so much medicine that I had little confidence in any, but I procured a box of Doan's Kidney Pills. I soon noticed an improvement in my condition and steadily grew better. I cannot speak too highly of this valuable preparation and am glad to recommend it at all times."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

To South Dakota The Land of Bread and Butter

SOUTH DAKOTA IS LONG ON WEALTH AND SHORT ON PEOPLE.

Today it presents the best opportunities in America for those who want to get ahead on the Highway to Independence. More than 47,000,000 bushels of corn, more than 47,000,000 bushels of wheat, live stock to the value of \$41,000,000, hay to the value of \$12,000,000, and products of the mines above \$12,000,000, were some of the returns from South Dakota for 1905. With a population of only 450,000, and annual production of new wealth above \$166,000,000, it can be readily understood why South Dakota people are prosperous and happy. The outlook for 1906 crops is the best South Dakota has ever known.

Why don't you go there and investigate the openings along the new lines of this railway for yourself?

From Chicago, and from many other points in Illinois, Minnesota, Iowa and Missouri, direct service to South Dakota is offered via the

Chicago, Milwaukee & St. Paul Railway

Its main lines and branch lines fairly gridiron the rich agricultural and stock country of South Dakota. Its mileage in South Dakota is more than 1,200 miles, and by the building of extensions is being rapidly increased.

A NEW LINE IS NOW BEING BUILT from Chamberlain, S. D., to Rapid City, S. D., through Lyman, Stanley and Pennington Counties. Some of the best opportunities for success are along these new lines. The railway company has no farm lands for sale or rent. If you are interested, it is worth while to write today for a new book on South Dakota. It will be sent free by return mail.
